HERMÈS POSTPONES THE TWELFTH SAUT HERMÈS AT THE GRAND PALAIS

Hermès, who has organised the Saut Hermès at the Grand Palais since 2010, has decided to postpone the next edition due to the uncertainty related to the spread of Covid-19 and the health imperatives in this situation.

The Saut Hermès, an unmissable event in the international equestrian calendar, has for over ten years hosted three days of CSI 5* show jumping in the heart of Paris. The next edition was scheduled to take place at the Grand Palais Éphémère from 19th-21st March 2021.

Hermès would like to assure all riders and players in the equestrian sector of its support in the midst of a pandemic that has been affecting their activities and the international sporting calendar for several months.

Hermès would like to thank all the teams and its long-standing partners, GL events, the Ville de Paris and the Rmn - Grand Palais, who work hard to stage this event, as well as the loyal and enthusiastic public that has been present every year since 2010.

The house is committed to bringing together the greatest riders, their horses and equestrian sports enthusiasts in Paris and will do its utmost, with its partners, to welcome them to the Grand Palais Éphémère from 18th-20th March 2022.

Since 1837, Hermès has remained faithful to its artisan model and its humanist values. The freedom to create, the constant search for beautiful materials, the transmission of savoir-faire of excellence, and the aesthetic of functionality all forge the singularity of Hermès, a house of objects created to last. An independent, family owned company, Hermès is dedicated to keeping the majority of its production in France through its 43 workshops and to developing its network of 311 stores in 45 countries. The group employs more than 15,600 people worldwide, including more than 9,700 in France, among whom nearly 5,250 are craftsmen*.

Axel Dumas, a sixth-generation family member, has been Hermès CEO since 2013. Founded in 2008, the Fondation d'entreprise Hermès supports projects in the areas of artistic creation, training and the transmission of savoir-faire, biodiversity, and the preservation of the environment.
